Editorial Note

When I compile the Chronicle, the last item I do is this Note. That's because it's only then that I can see whether I can get away with a short piece or need to write a longer waffly one to fill up space. More critically, important matters to emphasise or a theme for the month's issue will have emerged by that point, which makes writing it a whole lot easier.

The theme of this month's issue didn't take long to find: volunteering. Just within our small community, the Parish Council, the Village Hall Management Committee and All Saints Church all depend on those who give up their time and volunteer their skills to ensure that they continue to function year-in year-out. But there are also those who volunteer in different ways, whether it be turning out for Speed Watch duty, organising charity fund-raising events, undertaking community support driving, and many others too numerous to mention.

A continual difficulty, however, is finding new volunteers to carry on the work of those who have gone before. The Parish Council currently has a vacancy for one Councillor, with a second expected to arise in the not-too-distant future; the Village Hall Management Committee has long been seeking a replacement for its hard-working current Secretary, Glenn Houchell, who has gamely continued in-post pending a replacement being found; also (declaring a personal interest here) the Holt Area Caring Society desperately needs new drivers to ferry those in the local community to and from their medical appointments, a Secretary to take charge of its administrative matters and a person to take over the administration of its website from the present incumbent – see the notice on page 7.

So this is a plea to all of you out there who value living in this wonderful part of the world and want to continue to enjoy what it has to offer: please consider giving of your time and skills in any way that you can. Whichever area you choose to volunteer in, you can always be assured of a very warm welcome.

It only remains for me to thank Trudy White for the seasonal picture gracing our front cover (sourced through the Social Walking Plus WhatsApp Group featured in last month's issue), and to ask readers to have a root around your photographic archives for a Remembrance-themed picture for next month's issue . . .

. . . the copy deadline for which is **Monday 29th October**.

From your Parish Council

Changes to Parish Council Members

Cllr Sally Monkman has recently decided to step down from the Parish Council. I take this opportunity to thank Sally for her hard work and commitment during her time as a Councillor. Martin Parkes-Rolfe has been co-opted as a Councillor and we welcome Martin to the Parish Council.

Further vacancies for Parish Councillors in High Kelling will shortly be displayed on the village noticeboards

A148 Issues

At the meeting of the Parish Council held in September, Alexander Cliff and Timothy Young from the NCC Highways Innovations Department attended to provide an update on the traffic and pedestrian surveys carried out in the village over the last few months. Unfortunately, no decision has yet been made as to the actions to be taken following the fatal accident in December 2024. The officers are still building their evidence base and will issue a full report in due course. The Parish Council take the view that a fixed speed camera, lighting at the junctions and a proper crossing are all required, given the speed and volume of traffic.

Several villagers attended the Parish Council meeting and expressed their frustration at the length of time it was taking for action to be taken to reduce speed and improve road safety. A letter has recently been sent to the Police and to the Police and Crime Commissioner asking for details of the criteria required for a fixed speed camera. We are also trying to establish how Hillington, also on the A148 near Kings Lynn, managed to get a fixed speed camera erected in their village.

Concern was also expressed about the state of the pavements in the village where debris is often allowed to accumulate for many months and the verges are overgrown. There is also concern about the narrowness of the pavement in many places. One member of the public has recently been hit by a wing mirror, and there are reports of other near misses. NCC have been advised of these issues and we await their response.

The Funding Group have been looking at the two gravel verges as one enters High Kelling from the direction of Bodham. It is hoped that funding can be obtained to improve these areas. A meeting has recently taken place with officers from NCC to discuss what options might be available.

Bridge Road Safety

The Parish Council are still waiting for information as to when the new signs and road safety improvements will be carried out on Bridge Road. It is anticipated that the work will be carried out before the end of the year. There is concern about the sign that has recently been erected at the entrance to Bridge Road advising that the road is unsuitable for HGVs. Unfortunately, the sign is located at a point where it will not be seen until a vehicle has already turned into Bridge Road.

Village Map and Waymarkers

The parish Council are looking to produce a village map with historical information about the village, with a view to this being displayed in various locations in the village. It is hoped that funding will be available to meet all or part of the cost of this initiative.

Finally, I would like to thank Cllr Maureen Pearman the Vice Chair of the Parish Council for taking the Chair at the September meeting and for providing me with a full update following the meeting. I was unable to attend the meeting because of Covid which is obviously still around.

The next meeting of the Parish Council will take place on Tuesday 18th November at 7pm at the Village Hall.

Become a Volunteer Driver . . . or more!

Holt Area Caring Society (HACS) is a local charity whose aim is to enhance the lives of people living in the Holt area by driving people to and from their medical appointments.

We cover Holt and the villages linked to the Holt Medical Practice. Most journeys are to local surgeries, dentists and opticians, but we also take clients to hospitals in Norwich, Cromer and King's Lynn (and, occasionally, Papworth and Addenbrookes in Cambridge).

Our drivers use their own cars and receive a mileage fee for all journeys. There is no expectation regarding the minimum number of journeys to be undertaken, nor any obligation to do the longer journeys.

We urgently need more drivers, particularly in the coastal and inland villages within the catchment area of the medical practice. If this appeals, and you can help, please contact our Co-ordinators on 01263 711243 for more information.

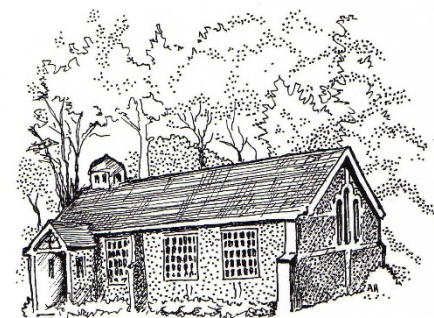

If you cannot commit to regular driving, why not join our committee as Secretary? It is not an onerous job and requires only basic administrative and IT skills.

In the longer term, we are also looking for a person to take over from the committee member presently responsible for developing and maintaining our website: www.holtareacaringssociety.weebly.com .

If you need any more information about the above voluntary roles, or wish to have an informal discussion about what they involve, please do not hesitate to contact the HACS Chair, Duncan Henderson, via the number stated above or email him at chair.hacs@gmail.com .

Dear Friends,

Annual Gift Day, Saturday 1st November 2025 10am to 12noon Avenue Road (outside the Village Hall)

The Church of All Saints here in High Kelling is dedicated to the communion of Saints. The Saints are those who have gone before us who in life and more often than not in death have in word and deed witnessed to their faith in the love of God. We honour them in the Church's calendar with Feast Days, Commemorations and Memorials. Their stories serve as a source of inspiration for us and reveal what ordinary men and women can achieve to the glory of God and the service of humanity. The Church also teaches us that from their place in heaven the Saints accompany us on our journey of faith, praying with us and for us as we journey on. The writer of the letter to the Hebrews describes them as a "great cloud of witnesses." The Feast of All Saints, which we transfer from the 1st to the 2nd of November give us an opportunity to honour and give thanks for that great communion of Saints to which we are joined not only by history but through our worship and prayer.

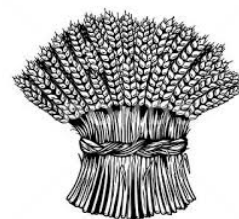

But of course, as well as the Saints that are named in the Church's calendar there are a countless number of saints, many we have known and loved, whose faith has led them to give so much to the communities in which they lived and selflessly helped others. Over the years, so many have helped shaped the life of High Kelling and contributed to the community. Not least those who over the past 100 years established and maintained All Saints Church as a place of worship and gathering for the people of the parish. Together with our own departed loved ones we will remember them on Thursday 6th November at All Souls-tide.

Those who live in High Kelling today owe a great debt of gratitude to those who have gone before us, whose vision, commitment and dedication gave us our small but delightful All Saints, Church. It continues to be loved and cared for by its present-day communion of saints, who faithfully seek to live out their Christian faith. We also appreciate very much the help and support of the wider community in High Kelling who are willing to give financially to the Church to maintain its presence in the village. Once again on behalf of the Church community I appeal to you to help us care for All Saints and to keep it open, not only as a place of worship but also as an oasis of peace and stillness that is accessible to all.

We are only custodians and stewards of that which we have and with your help we would like to be maintain All Saints both for the present and to be able to leave the Church as wonderful inheritance for those who come after us.

You will find a gift day envelope in this edition of the Chronicle, if you feel able to return it with a financial gift, no matter how small, it would be gratefully received and very much appreciated. Both Ann and I will be outside the Village Hall on Saturday 1st November between 10am – 12noon to receive your gift, otherwise you can drop it through Ann's letter box at No 4 Pineheath Road.

Thank you too, to John Mangan who cycled in this year's annual Norfolk Churches Trust, and to those who sponsored him raising valuable funds for the Churches Trust and All Saints.

With sincere gratitude,
Fr. Howard

I would personally like to thank all of you who made a delicious cake or supplied a superb raffle prize. They were all absolutely amazing.

I couldn't have managed the morning without the help of so many lovely villagers. All the helpers in the kitchen, especially Alan Mason for doing **all** the washing up, Ellie for collecting donations, the ladies on cutting cake duties and, of course, the raffle organisers.

Finally, can I thank you all for attending and making it a very special morning and for being so generous for this wonderful charity.

With Love

Support your new evening bus service in High Kelling

We wrote to Sanders Coaches to ask how the new evening bus service was faring. Their operations manager, Kieran Smith, responded as follows . . .

From Sunday 18th May 2025, with funding via Norfolk County Council's Bus Service Improvement Plan (BSIP), Sanders Coaches introduced a new improved late service on local bus route 44 running between Holt and Sheringham. Journeys from Holt Market Place now run towards Sheringham, Cromer and Norwich at 19:26 and 21:36, plus journeys leaving Norwich back towards Holt at 19:10, 21:40 and 22:40.

Evening bus services require public support on a regular, year-round basis to ensure future viability. It really is a case of 'use it or lose it'. Very often, evening bus services are requested for reasons such as "we could go to the pantomime" – but, of course, in reality, only one use a year does not generate sufficient support.

Perhaps you attend a regular social group in Cromer or Sheringham in the evenings, or you have a local evening job on the coast, to which you usually drive. Hopping on the bus could save you some money, especially if you hold a concessionary bus pass, whilst ensuring there is sufficient support to keep late bus services running. So, what could you do with the new evening bus service?

Cromer Pier Events – The last bus from Cromer at 23:50 gives you plenty of time to see a show at Cromer Pier. There is plenty on through the year to suit all tastes.

Cinemas in Norwich – Stay out late with cinema and a meal, using the last bus from Norwich at 22:40 back home. Buses pick up conveniently at Castle Meadow (right near Vue Cinema) or Tombland (a short walk from ODEON at Riverside or Cinema City of St Andrews Street).

Sheringham Little Theatre – Take a look at the many performances at Sheringham Little Theatre; last buses home are at 23:05 or 00:05 from Station Approach.

Dinner out in Holt, Sheringham, Cromer or Aylsham – If you enjoy visiting our many local pubs or restaurants, consider going by bus. The bus is your 'designated driver', so you could enjoy an extra pint! There are so many pubs and restaurants on our 44/X44 service route that you'll be spoiled for choice.

Regal Movieplex, Cromer – Buses from Cromer will pick you up conveniently at Loudon Road, right by the Regal Movieplex. There's plenty of time for an evening viewing, with the last buses home towards Holt departing at 22:44 and 23:44.

For bus timetables, visit www.sanderscoaches.com or pop into many of the local establishments that stock their timetables – including High Kelling Post Office.

Holt Medical Practice Autumn 2025 Flu & COVID Vaccinations

IMPORTANT CHANGES - Flu & COVID Vaccinations

This year, there has been a change as to the age groups eligible for the COVID vaccination. Please see our website for full details (www.holt-practice.nhs.uk)

- FLU vaccination = for patients 65yrs and over and those who are "clinically at risk".
- COVID vaccination = ONLY for patients 75yrs and over and those who are "immunosuppressed".

So just because you are eligible for a flu jab does not mean you are automatically eligible for a COVID vaccine.

The Surgery is unable to give COVID vaccinations to under 18s so eligible children will need to book to have their COVID booster via the National Booking System. We can give flu to eligible children, see below.

JOINT COVID & FLU CLINICS

The following cohorts of patients will be invited to have both the flu and COVID vaccines in a joint clinic, where we will give one vaccine in each arm:

- ALL patients 75 yrs and over; AND
- ALL patients 18 – 74 yrs who are immunosuppressed.

These JOINT flu and COVID clinics will be held on:

- Saturday 11th October (AM)
- Saturday 18th October (AM)

For all clinics, patients will be offered the earliest available appointment on the date they wish to attend. We are unable to accommodate requests for specific times.

The Government's recommendation is that eligible patients should have BOTH vaccines.

Patients can attend these clinics and decline to have one or other of the vaccines, however, will not be holding separate catch-up clinics later.

Care Home and housebound patients will be offered both the flu and COVID vaccinations from 1st of October. These will be given in their homes, and we will contact the patients or the Homes directly to arrange when we will visit.

FLU ONLY ADULT CLINICS

The following patients will be invited to attend flu ONLY clinics:

- ALL patients 65 to 75 yrs old; and
- All 18 - 64 yr olds who are clinically at risk.

These flu ONLY clinics will be held on:

- Tuesday 14th October (AM)
- Tuesday 21st October (PM)

We ask that patients arrive at their allocated appointment time and wear clothing that allows easy access to the top of their arm to ensure a smooth flowing clinic.

FLU ONLY CHILDRENS' CLINICS

We will contact you to invite the following children to attend special children's flu clinics at the Surgery:

- ALL 2 – 3yr olds; AND
- 4 - 17yr olds who are clinically at-risk.

School-aged children (who are not at-risk) will be offered their flu vaccines through their school.
