Editorial Note

Normally in my Editorial Note, I pick out one or two features in the Chronicle to highlight what's going on in the village but to be perfectly honest, I have no idea this month on where to start.

Coming up on the 3rd November is the Resident Engagement Event, billed as "an opportunity to meet your Parish Councillors and share your aspirations for the Parish or raise any concerns you may have". Previous such events have been well-attended and generated lively discussion, which have proved immensely helpful to the Parish Council in deciding its future direction. So do come along and have your say, whether it be a suggestion, concern, constructive criticism or even, perhaps, a plaudit for the work the Parish Council does on your behalf.

Charitable support features strongly, with the Macmillan Coffee Morning having raised £1015.25 for Cancer Support and John Mangan having once again cycled all over North Norfolk to raise a magnificent £2275 for the Norfolk Churches Trust, half of which will go directly to supporting All Saints, our little church in the woods. Not forgetting regular contributions made towards the Foodbank, and Phil and Carol Otty are hoping to raise yet further funds for the BEAT Eating Disorders Charity by laying on a Ploughman's Lunch on 11th November.

The Village Hall is surpassing itself in laying on some first-class entertainment, with Ian Haywood's Elton John Tribute act on 24th October and an evening of Folk/Americana on 27th November laid on by Roswell Road. This duo are said to "weave their voices round each other in intricate harmonies, swapping pitches and changing leads which bring a huge dynamic to every song". (I'm assuming here that you've heard of Elton John.) Glastonbury Festival will be getting nervous.

Looking ahead, the Village Hall will be laying on a Winter Fayre on 21st November, and the indefatigable two Lyns - Morgan and Baguley - are organising a Christmas Lunch on the 11th December. There, I've said the dreaded C word, and we're only just into October.

As if all that isn't enough to be getting on with, a glance at the Village Hall Diary for October will show that you can take your pick from table tennis, short mat bowls, art appreciation, bridge, model engineering, German, beading, digital photography, gardening and yoga - just in case you're concerned that you might not have enough going on to fill your time during the long winter months ahead.

It's all here in your super soaraway Chronicle, so make yourself a cuppa, put your feet up and enjoy the read.

The deadline for copy for November's issue is **Tuesday 27th October 2026**.

From your Parish Council

Resident Engagement Meeting

I would like to draw all villagers' attention to the Resident Engagement Meeting which is being held at the Village Hall on Tuesday 3rd November at 2pm. This will be an opportunity for all residents to raise issues of concern with the Parish Councillors. We have arranged for speakers to be present at this meeting to discuss Digital Switchover, Neighbourhood Watch schemes and the proposed safety improvements on the A148.

I hope that the meeting will be well attended. It would be very good to receive feedback from residents on the County Council's proposals for safety improvements which include reducing the speed limit on the road on the approaches to the village, the creation of pinch points near the junctions with Avenue Road and Beech Close and a possible extension of the 30mph zone from the Village sign to replace the 40mph zone on the approach from Holt. We have asked for a representative from the Norfolk Neighbourhood Watch team to attend as I understand that some residents have experienced incidents where visitors have been acting suspiciously in the village. The speaker on Digital Switchover will be available to address residents' concerns which have been raised at recent Parish Council meetings.

Vacancy on the Parish Council

There is a vacancy for the Parish Council and if anyone wishes to be considered for co-option then please apply in writing by sending your details to the Parish Clerk on clerk@highkellingpc.gov.uk. It is anticipated that interviews will take place immediately prior to the next Parish Council meeting which is on Tuesday 17th November 2026.

Suspicious Activity in the Village

At the meeting of the Parish Council on 15th September, it was noted that some residents had experienced vehicles being parked in unexpected places by people who are not residents. If any resident has concerns on matters such as this then they should report the matter to the police either by telephone using the 101 service or logging the matter online.

There are also concerns about activity at the former Pineheath Nursing Home where people appear to be residing. This has been reported to the police and to North Norfolk District Council.

There are increasing numbers of vehicles being parked near the entrance to the village at the Bodham end and there have been some instances of fly tipping in this area. The Parish Council are currently trying to establish the status of this area in order to determine future approaches to the management of these areas.

Full Fibre Broadband

We had been promised Full Fibre Broadband from Openreach by the end of this year but the works have been delayed and there is now no confirmed date when it will be available. We will keep you informed.

Lighting at the Church Entrance

We are exploring the installation of a solar-powered light at the entrance to the Church. Councillors would like to see the installation of a light at this location as soon as possible and are currently exploring how this can be funded. It is hoped that a contribution will be made by our two Councillors with North Norfolk District Council.

Visibility on Bridge Road

The Parish Council have approached North Norfolk Railway and the Kelling Estate about the possibility of cutting back vegetation around the bridge in the hope that this will improve visibility of oncoming vehicles.

Pinch Points on A148

I have already referred to this proposal which will be discussed at the meeting on 3rd November. The Parish Council have obtained costings for the proposed creation of a pinch point on the A148 at the junction with Avenue Road. The creation of a pinch point should slow vehicles down and create a safer place to cross. The cost is likely to be in the region of £45,000. We are looking into whether we can bid for funds under Norfolk County Council's Parish Partnership Scheme. We would need to find half of the money in order to obtain a 50% grant. The Parish Council does not have sufficient funds to match-fund, but we are looking to see if money can be raised elsewhere. Some additional funding might be available from NCC, and we may have more information on this at the meeting on 3rd November.

Emails to the Chair of the Parish Council

I am currently having difficulty in receiving emails to the address given below. Please send any emails to clerk@highkellingparishcouncil.gov.uk and ask for them to be forwarded to me. I apologise if anyone has sent an email to me and has not received a reply. Hopefully the problem will be resolved in the next couple of weeks.

The Parish Councillors look forward to seeing villagers at the meeting on 3rd November.

New Village Hall Shed

We await a firm delivery and installation date for the replacement shed, which is due around the end of October. There will be minimal disruption to activities in the village hall during the removal and replacement of sheds, which will require storage of the retained contents of the old sheds in the Committee Room for a few days. If disruption is unavoidable, organisers of all activities affected by the temporary use of the Committee Room will be notified as soon as an actual installation date is confirmed.

The Village Hall Bar will be open and snacks available.

Tickets £10.00

Contact: Susan@rutherford.world or 07966320609

Please do join us for a wonderful evening of brilliant music by a very talented artist.

The old sheds are of no further use to the village hall. Current plans include their removal and disposal, though they could be taken away by anyone wanting them, provided they are removed from the site quickly, at the taker's own cost and risk. Anyone interested in one or both sheds should contact me soonest, otherwise they will be disposed of before installation of the replacement shed.

Hall Bookings

We are in a strong position on bookings though there are vacancies for either regular or occasional events, including private events, birthdays etc, subject to availability, either with or without bar support.

Village Hall Events

Elton John Tribute Act. As notified previously, we are delighted to have secured the long-awaited Elton John tribute act for the evening of Saturday 24th October. Tickets at £10 each are available now through Susan Rutherford, who can be contacted preferably by email at susan@rutherford.world or telephone 07966320609. The number of attendees is restricted; so, if you have not let us know of your intention to attend, please contact Susan to avoid disappointment.

Roswell Road - 27th November

Local resident David Emmerson has arranged for a folk/americana duo he knows to perform at the Village Hall in November - 50% of proceeds from this event will be going to support High Kelling Village Hall.

Roswell Road is a joyful, harmony-obsessed Americana/Folk duo from London. Their multi-instrumental harmony-infused sound has been likened to First Aid Kit, Fleetwood Mac and the Indigo Girls, with songs drawing on real experiences from mental health to family love to real-life activist adventures at sea.

From sold-out shows at London's Green Note to stages across Europe, including Costa Festival Ibiza and a showcase at MiCannes, France, they have supported artists from Catherine McGrath to Dea Matrona.

They released their debut album *Rebel Joy* earlier this year to widespread critical acclaim. with Record Collector Magazine praising them as an "award winning act who have wowed festivals all over".

This event is for ticket-holders only. All tickets at £8.50 are being sold on a first come, first served basis, and are available at [http://buytickets.at/dea/2369714](https://buytickets.at/dea/2369714) or via the QR code, or you can reserve tickets by sending an email to David at david.emmers@gmail.com.

Do bear in mind that the Village Hall's attendance limits may lead to disappointment.

Ellie for collecting donations, Sue and Janet on cutting cake duties, Joy who helped me make endless cups of coffee and tea !!!! and of course the raffle organisers.

Finally, can I thank you all for attending and making it a very special morning and for being so generous for this wonderful charity.

Dear Friends,

Dear Friends,

2026 sees the 800th anniversary of the death of St Francis of Assisi, who died on the 3rd October 1226. Born in Assisi in central Italy into a wealthy family, Francis enjoyed a lavish lifestyle. He was destined to follow in his father's footsteps and become a merchant, but he had a difficult relationship with his father and somewhat of a rebellious youth. His exploits landed him in prison, an experience which changed him forever.

On being released from prison he took to caring for the poor and the sick, particularly those suffering from leprosy. One day while praying in the semi-derelict church of St Damian he believed he heard the Lord telling him "to go and repair my house which you see is falling down". He took the words literally and in the simplicity of his heart he went home and, taking a horse-load of cloth from his father's warehouse, he sold it and the horse and tried to give the money to the priest at the church of St Damian, who refused to accept it.

Naturally, his father was not too best pleased and so came after Francis, giving him an ultimatum - either come home or renounce all his share in his inheritance and return the money. Francis said he had no objection to being disinherited but he could not return the money as it now belonged to God and the poor. His Bishop told him to return the money and trust in God, which Francis did, together with the clothes he was wearing. The dress of a labourer was found and Francis, renouncing the wealth of the world, went on his way singing God's praises, proclaiming the gospel of Christ and finding work and hospitality wherever he went.

Eventually settling back in Assisi, many came to admire his lifestyle and soon he gathered around him a religious order to live a life of simplicity, prayer and service. By the time of his

death in 1226, the Franciscan Order had spread throughout western Christendom and Franciscans today remain committed to live a life of simplicity and poverty in witness to the gospel of Christ and in service of others.

Devotion to St Francis has stood the test of time and his popularity has endured, perhaps because many see in the simplicity of his lifestyle as an alternative to the materialism and secularism of the world in which we live. He continues to teach us not to have an undue attachment to the things of this world, to seek after the things that matter, to live in harmony with one another and the natural world, and to be thankful for all that we have and are.

May St Francis speak to us today as, during this coming month, we give thanks for the harvest of creation, seek to serve our neighbour in need and build Christ's Church in this place.

Kindest regards, Fr. Howard

***Norfolk Churches Trust Sponsored Bike Ride
2026***

Once again, I must thank all the many good people of High Kelling and a few from slightly farther afield, who sponsored me on the Norfolk Churches Trust Bike Ride which took place on 12th September. The weather turned out to be almost perfect, with very little rain and none of last year's thunderstorms!

Your generosity was overwhelming and I can now report that together we raised even more money than last year for the Trust. The final amount was £1820.00, with an additional £455.00 through Gift Aid, making a total of £2,275.00. Half of this will go to All Saints in High Kelling, with the rest going to the Trust for distribution to other churches in the county as allocated by the Trust.

So, thank you all once again. Your support has been truly amazing.

Holt Area Caring Society (HACS) is a local charity whose aim is to enhance the lives of people living in the local area by driving them to and from their medical appointments.

We urgently require more drivers to help; our drivers use their own vehicles and are recompensed with a generous mileage allowance.

It is a much-loved service that enhances the lives of local residents. Knowing what a significant difference our drivers can make to the lives of others is incredibly rewarding.

In 2014, we became the proud recipients of the Queen's Award for Voluntary Services.
